DAS School-Parent Compact  
Revised June 7, 2017

Dear Parent/Guardian,

DeKalb Alternative School students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how school and parents will build and develop a partnership that will help children achieve the State's high standards.

## **WHAT IS A COMPACT?**

Our annual school-parent compact offer ways that we can work together to help our students' succeed. This compact provides strategies to help connect learning at school and home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Shared strategies that staff, parents, and students can utilize
- Explain how parents and teachers can communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

The parents, students, and staff worked together and shared ideas to develop the school-parent compact. Teachers met with their content teams to design practical strategies for parents to use at home. Parents provided valuable feedback during DAS Parental Engagement Forums and Bi-Weekly Orientations on their needs to help their child/children. Students during FLP and ELT added ideas for the compact. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs. Parents are welcome to provide feedback on the compact at any time during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents.
